

# myMobile™ Fast Balances is Here!

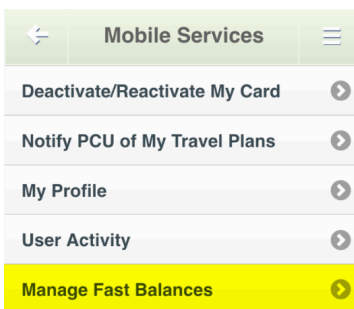

People's Credit Union is excited to announce our new feature in myMobile™ called "Fast Balances!" Fast balances allows you to get a quick snapshot of your current account balance, as well as the last few transactions that posted to your account without having to log into the myMobile™ app. Before using the new Fast Balances feature, you will need to enroll.

## How to Enroll in myMobile™ Fast Balances:

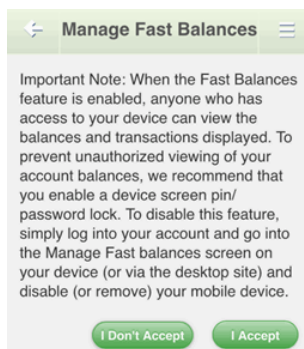

1. To enroll in myMobile™ Fast Balances, log into the myMobile™ app and select the menu option in the top right hand corner and select Mobile Services:

2. Select the new "Manage Fast Balances" option:

3. Read and Accept the myMobile™ Fast Balances Terms and Conditions:

4. Enter a device name and select the accounts you would like to participate in Fast balances and select the "Enable Fast Balances" button:
