People's Employees Surprise CEO, Ellen Ford with Mascot, Pudge, Themed Birthday Party

People's Credit Union employees worked diligently to surprise their CEO Ellen Ford, for her birthday this year. Pudge, People's office mascot has become one of Ellen's favorite animals and with this in mind her birthday party theme was created. The Human Resource Department worked hard and designed "Pudge Patrol" t-shirt for employees to wear to the party.

Employees gathered at lunch to surprise Ellen. Everyone gathered for a pizza party where Pudge was the star and there was even a special pizza made to look JUST like Pudge.

Happy Birthday Ellen, from all of the employees at People's Credit Union!
