Summer 2019 Member Connection

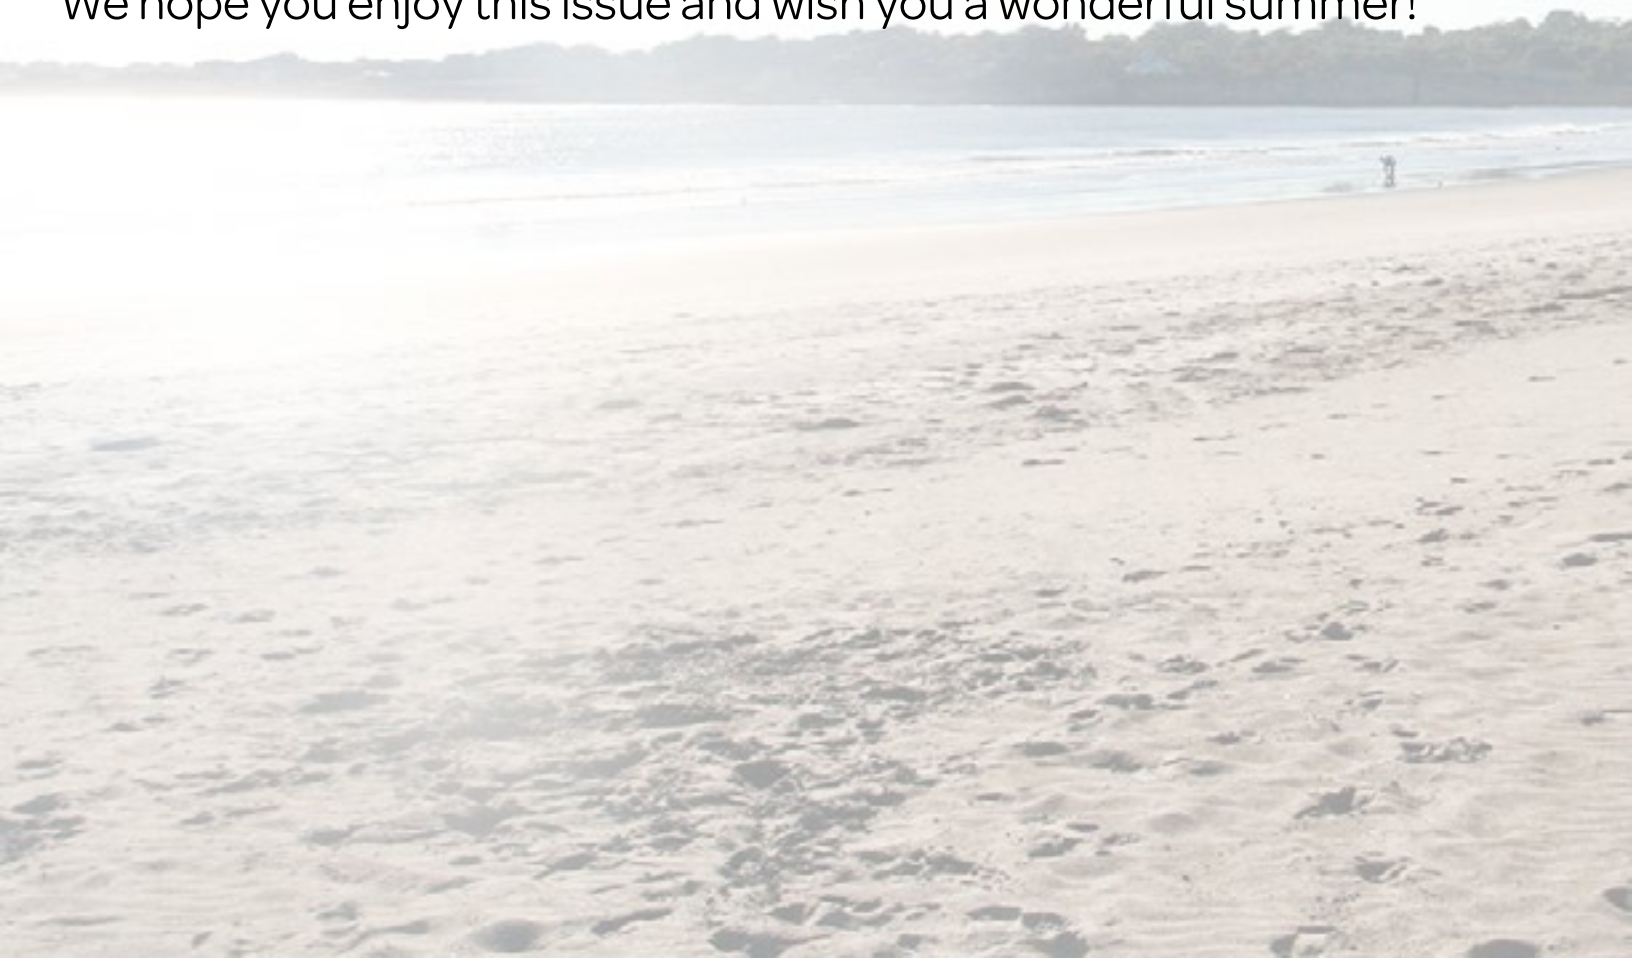

Greetings! It's been a while!

As we are all in the middle of enjoying these beautiful summer months, we wanted to take this opportunity to say thank you for trusting us to help you, your families and your businesses with financial solutions that meet your needs and put you on the path to financial success.

We listened to your feedback and will now send out our member newsletter, *Member Connection*, on a quarterly basis. This newsletter is designed to keep you informed on important things happening here at People's Credit Union, as well as other information to keep you connected with your credit union community.

Like you will see in this issue, we will introduce new employees, spotlight others that have been around for a while, update you on product and service enhancements, exclusive member benefits, and community events and credit union achievements.

We hope you enjoy this issue and wish you a wonderful summer!

People's Credit Union Announces Appointment of Cormac McCarthy, Executive Vice President and Chief Lending Officer

People's Credit Union announce the appointment of Cormac McCarthy to the position of Executive Vice President and Chief Lending Officer. In this position, Cormac will be leading the charge as People's continues to develop their commercial lending offerings that will support the growth and success of its members' businesses.

McCarthy is an accomplished professional with extensive knowledge and business lending experience. Prior to joining People's Credit Union, he was employed as Vice President and Chief Lending Officer at RTN Federal Credit Union in Waltham, Massachusetts. Prior to RTN Federal Credit Union, he served as Vice President, Commercial Lending at East Cambridge Savings Bank in Cambridge, Massachusetts.

McCarthy attended University College Cork, Ireland, where he majored in Psychology and Geography and received his Bachelor of Arts. Active in the community, he is currently or has been a volunteer coach for soccer, baseball, softball and basketball in Lexington, MA, and previously served as a Wakefield Rotarian and Board member of the Cambridge Multicultural Arts Center.

"Cormac has decades of business lending experience and his innovative, client focused approach to helping businesses succeed makes him a great addition to People's Credit Union. He is an advanced and accomplished leader with a wealth of diverse experience," said Ellen Ford, President & Chief Executive Officer. "We are thrilled that he has joined our executive team."

People's Credit Union Marketing Manager, Courtney Hunter, Receives Credit Union Difference Maker Award from Cooperative Credit Union Association

People's Credit Union Marketing Manager, Courtney Hunter, was recently recognized with the Credit Union Difference Maker Award by the Cooperative Credit Union Association. The Credit Union Difference Maker Award recognizes individuals for their contributions at work as well as in the community.

Hunter has been continuously engaged with the local community as well as providing the Credit Union membership with banking solutions for financial success. She is a past recipient of the East Bay Community Action Program's Vision Award and currently serves on the Board of Directors of the Jamestown Arts Center, the Advisory Board of North Kingstown High School's Career & Technical Education Academy and the Domestic Violence Resource Center of South County's Advisory Council.

People's Credit Union's President and CEO, Ellen Ford, notes, "Courtney works extremely hard on behalf of our members, our employees, and the community; she believes in the credit union philosophy of "people helping people," and has been a role model not only because of her career success at People's but also due to her consistent efforts to give back to the community."

Once again People's employees took to Cardines Field to volunteer their time collecting tickets at the gates, handing out programs, People's baseball backpacks and selling 50/50 raffle tickets in the stands to benefit the Newport Public Library.

The game night was also the dedicated "FANatic about Reading" program night with the Newport Gulls. This June, the Gulls players went to elementary schools across Aquidneck Island to read and handout book marks to the students. Each bookmark provides space for the student to read four books and put the titles down for free admission to the game, have special recognition on the field, and receive a complementary book from People's during the pre-game ceremony.

Thank you to all of the students who read their books and came out to support the Gulls!!

Employee Spotlight

Louann Lawrence
